

Trek Part

Trek Parts - TREK Cleaning Machines is a manufacturer of cleaning machinery. Jim Hartsock, Chris Knowlton and Bob O'Hara, TREK's founders, have over sixty years of experience successfully manufacturing, designing, developing, marketing and offering customer support. The company's innovative flair is a reflection of the entrepreneurial style of the founders. They really believe in delivering true value to their customers and are dedicated to offering new design concepts and top quality to be able to meet the diverse requirements of their clients.

In their product development; TREK Cleaning Machines continually provides fresh design ideas. They like offering items which energize both their dealers and their partners and offer production gains to their clients.

The TREK team of employees likes new challenges and new tasks. They are very proud to introduce its breakthrough technology found in their Torsion scrubber line. This particular line was motivated by the comprehension of operators' skills and requirements together with their understanding of cleaning applications, together with owners' strong desire to dramatically lower expense through productivity gains.

When required, the workers within TREK and its many dealer members in both parts and in technical support would be available. One of their core values is their high service dedication in their customer service. Keeping their customers' cleaning equipment running and ready everyday is top priority. The company's top of the line technology delivers reliable equipment that eventually lessens your cost of cleaning. The product, the price and the service all work as one in order to make them an industry leader.
